

Dear Pastor:

We want to invite you to the Canada Word of Faith Conference held at the Family of Faith Church from March 15-18, 2010. The theme for the conference is "For such a time as this", based on Esther 4:14.

We have received this theme from the Lord for this conference, because this is the time to take your call and position of pastor to its fullest expression in your local church.

With this in mind we have prayerfully chosen the speakers for this conference, who will invest knowledge and wisdom in you so that you will be equipped to function as a great manager of people and resources in your church.

I cannot think of a greater corporation to invest in or to be a part of than the Church of the Lord Jesus Christ. He Himself is building the church and you and I are co-labourers with him. It is THE place to be!!

We highly encourage you to bring your key leaders, whether they are staff or board members or members of your church.

We also invite you to a workshop luncheon, paid for by Canada Word of Faith Ministries on Wednesday, March 17 from 12:00-2:00 PM. The title of the workshop is "What every pastor wants from a board member, but is afraid to ask."

This workshop is intended to help us put together a future seminar for board members to help them become more aware of the expectation that pastors have of their board members.

The schedule of services is as follows:
